

Optimized for deep cycle and marine applications like 48V golf carts, 48V solar energy storage, 48V electric outboard motors, or any 48V application where you need steady power for a long time.

With a high capacity of 96 ampere-hours, it can deliver sustained power over extended periods, making it ideal for both cyclic and standby uses. These batteries come in several ...

Built Dakota tough, this single 48 volt lithium battery will help you play longer and go further with twice the run time for your golf cart, electric vehicle, or electric outboard motor, while lasting 4x longer, ...

Dakota Lithium 48V 96Ah LiFePO4 battery for golf carts, marine & solar. Includes 8A charger. 2000+ cycles, 77 lbs, 11-year warranty coverage.

Dakota Lithium 48V deep cycle battery for your solar energy storage, electric outboard motors, golf carts, or any 48V application. 4x longer life with 11 years warranty.

The best part is this single Dakota Lithium battery weighs 1/4 as much as a set of lead acid golf cart batteries, allowing you to cut 300 lbs or more off your cart.

Dakota Lithium 48V 96Ah Lithium Ion Golf Cart Battery, Charger and Install Kit March 25, 2024

Our Lithium battery products are widely used in UPS backup, solar energy storage system, electric bicycle, RV, Golf-cart, electric-motorcycle, yacht, and electric tools etc.

Revolutionize your 48V systems with the Dakota Lithium 48V 96Ah Deep Cycle LiFePO4 Battery, a single-unit powerhouse delivering 96Ah at 48V (4,608Wh) for extended runtime and efficiency.
