

Financing solution for standard power scale outdoor telecom enclosure

How do I choose a NEMA rated outdoor enclosure?

Finding outdoor enclosures that meet all of your application requirements is made simpler through NEMA ratings. Cabinets with a 3, 3R, 3S, 3X, 3RX, 3SX, 4, 4X NEMA standard are all properly made to withstand the outdoor elements to varying degrees.

What is an outdoor Telecom shelter?

Outdoor telecom shelters address various communication housing needs, from quick set up time to weather protection. Customer adapted shelter solutions serve a range of telecom applications from incoming AC to complete solutions for different sites in the network.

Why should you choose a NEMA 4X outdoor enclosure?

Corrosion can be a big problem in many different enclosure applications, and a NEMA 4X outdoor enclosure can help protect your devices. AZE can also provide customized products or projects based on requirements, choose from a broad range of models, configurations, mounting options, sizes, finishes and type ratings.

Who makes NEMA 3R 4x heavy duty outdoor telecommunication enclosures?

AZE made NEMA 3R, 4, 4X heavy duty outdoor telecommunication enclosures with an experienced engineering, production and quality assurance team, who can ensure each manufacturing process be strictly followed/controlled to build the quality outdoor cabinet and enclosures.
