

Is the outdoor base station energy storage cabinet just one pair

Power Battery Cabinet Description Power Battery Cabinet Features Power Battery Cabinet Reasons For Choosing Us High reliability, maintenance-free, fast installation, suitable for harsh field environment. High integration, less land occupation, short construction period, and effective reduction of construction cost. Perfect thermal design, efficient energy-saving, and emission reduction, and effective reduction of operating cost. High reliability, maintenance-free, fast installation, suitable for harsh field environment. High integration, less land occupation, short construction period, and effective reduction of construction cost. Perfect thermal design, efficient energy-saving, and emission reduction, and effective reduction of operating cost. Access control, smoke, water immersion, temperature, humidity, and other comprehensive protection.
