

Manganese Blue - PB33 I finally came around to make some paint with a sample from my manganese blue experiments so I wanted to share my progress. Some serious credit goes to CaCl<sub>2</sub> ...

Water softeners do wonders for manganese and iron. It should be able to handle your water fine. I like kineticok2060.

Manganese used to be added to glass as a clarifying agent to give it the appearance of crystal. Most glowing glass looks best when lit with 365nm uv, but Manganese glass glows green ...

Has anyone experience with supplementing manganese? Manganese not magnesium. What effect did it have on you? And i know it can be toxic in high amounts. Archived post. New ...

Anyways, Manganese can only be found in the cold areas (so tundra, taiga, and glacier. North side of the island). I would recommend digging under biodome gamma for starters as that at ...

But man this manganese has made me feel like a new person. I've been funny, charming, I feel alive. But it seems like it wears off in about 22 hours. Then I take another pill and I feel absolutely amazing. ...

Manganese veins spawn from 20-30 only. That's an extremely narrow range. Narrow enough that horizontal mining is feasible. Basically any ore with a narrow range like this, if you really ...

Literally all steel has manganese in it, just in different amounts (generally between 0.3% and 2%). Calling it "manganese steel" is a marketing gimmick. It's just carbon steel. It looks like they may have ...

Adding Manganese and Boron Have Helped Me Greatly. I take 3mg boron twice a day and 8mg manganese every other day. I feel like a new man. Confidence, mental clarity, coordination, ...

Best way to obtain manganese and phosphorus. I am playing Gregtech Community Pack and have just entered the MV Age and I am trying to upgrade my wires to the LV Superconductors. ...
