

Mobil 1 Classic 10W-30 is a full synthetic motor oil formulated with high zinc for ...

I like that an oil appropriate for a flat tappet cam is available in a weight that's good for winter time.
Purchased for: 1981 Ford F150 4.9/300 ci with T18 transmission

Why It's Great: Mobil 1's 15W-50 synthetic oil balances high ZDDP with a widely available, trusted formula.
It protects flat tappet cams under high-pressure conditions and resists ...

Boosted, advanced full synthetic formula designed for today's longer oil change intervals in many domestics
and imports. Vehicles that require 5W-30 or 10W-30. Advanced full synthetic formulation ...

Mobil 1(TM) FS 0W-40 oil already contains a higher level of ZDDP (1,000 ppm) that could benefit your flat
tappet engine.

Mobil 1 Classic 10W-30 is a full synthetic motor oil formulated with high zinc for flathead or overhead valve
engine designs. This product uses our trusted formulation chemistry perfect for your classic, ...

Mobil 1(TM) Classic Car 10W-30 Mobil 1 Classic 10W-30 is a full synthetic motor oil formulated with high
zinc for flathead or overhead valve engine designs.

Mobil 1 Classic 10W-30 is a full synthetic motor oil formulated with high zinc for flathead or overhead valve
engine designs. This product utilizes our trusted formulation chemistry, perfect for your classic, ...

Interestingly, the 0w20 offerings in the various flavours, with two exceptions (Mobil 1 Extended Performance
High Mileage 0w20 and Mobil 1 High Mileage 0w20), have lower PP and ZN ...

We have compiled a high zinc oil list with several of our motor oils with high levels of ZDDP, as well as a
handful of other oil with zinc you would encounter at your local parts store.
