- Features low leakage current and high power density, suitable for high energy density applications.

We are the manufacturer and supplier of low voltage power capacitor which is mainly suitable for low voltage power network to improve power factor, reduce reactive loss and better the voltage quality.

You'll find new or used products in Supercapacitor/Ultracapacitor Industrial Capacitors on eBay. Free shipping on selected items.

This Eaton series features a 3.0F to 1400F capacitance range and is ideal for backup power, pulse power, and hybrid power systems applications. These supercaps can be applied as the ...
